what you're thinking...

# why IAVI?

## it's simple

At IAVI we believe in ensuring daily satisfaction. This takes dedication and a commitment to excellence.

At IAVI we know what it takes to earn and keep your business. With top notch customer service, the brands you love, and prices that will put a smile back on your face- no wonder more customers turn to IAVI for their audio visual needs.

For many of our clients, technology isn't just a business, it is a passion. Like you, we live and breathe AV. That is why our staff is comprised of some of the most knowledgeable and highly trained specialists in the industry today.

You could even say we are hooked on the AV experience and we love to share our knowledge. With access to the latest

market information we are up on all technological advances, product development and availability. Give us a call to help evaluate an upcoming project and we can suggest solutions.

It's FREE and our sales reps may be able to suggest products that might not have been considered before, that will add increased margin to your project.

**PRO AV DISTRIBUTION** *made simple*

## Programs & Promotions

Through strong partnerships with our manufacturers we are able to offer many cost saving promotions and programs. Upon signing up for our e-mail newsletter, you will be notified of special promotions, programs, and new product offerings. We know lower pricing helps you stay competitive and we are here to help you win the business.

### We also offer through select manufacturers:

#### Trade-Up

Trade-up programs that allow customers to trade-in their existing hardware for discounts on new and improved models.

#### Demo Units

Demo units for many of our products are available for you to test their capabilities, and get your own hands-on experience to ensure the right product is chosen to meet your needs.
